

My Atlas – My Preferences

How to use change the content topic in My Preferences

- 1 Click on the My Atlas Button:
- This will open the My Atlas Tools, which allows you to personalise your content
- 2 Select My Preferences by clicking the >
- This will display the My Preferences Page
- 3 Choose your Preferences:
- E.g. Location: London; Dept: Sales
- This will display articles linked to the tags
- 4 Select save
- your content will now change to reflect your chosen preferences

i Tailor the content you see within Atlas, select the tags most applicable.
